

From,

Director,
Urban Local Bodies, Haryana
Chandigarh.

To

All the Executive Officers/Secretaries of Municipal Councils/Municipal
Committees of Haryana State.

Memo No. DULB/TA-II/2014)

Dated:

27/1/14

5434 - 5502

Subject: Delivery of E-services.

On the subject noted above.

2. I am directed to inform you that it is being observed by the department that Some Municipalities have developed application for e-delivery services, MIS work monitoring system, HR system, Finance, property-tax and similar type applications at their own level. Different applications are running for same service in the state. Running of different applications have created the problems of integration of service as well as data. Uniform application could have save money spent towards the development of different applications for same type of service. It has been decided by the Government that hereforth uniform application will be provided for same/one service.

3. Keeping in view of above, now it has been decided that none of the municipality will develop the applications at its own. If it becomes necessary because of exigency to develop an application by Municipality at its own then approval of Director, Urban Local Bodies will be taken irrespective of any amount involved in developing the application.

Executive Engineer-IV
for Director, Urban Local Bodies,
Haryana, Chandigarh.
