

From,

Director,  
Urban Local Bodies, Haryana  
Chandigarh.

To

All the Commissioners of Municipal Corporations of Haryana State.

Memo No. DULB/TA-II/2014/ 5503 -11

Dated:

27/11/14

**Subject: Delivery of E-services.**

On the subject noted above.

2. I am directed to inform you that it is being observed by the department that Some Municipal Corporations have developed application for e-delivery services, MIS work monitoring system, HR system, Finance, property-tax and similar type applications at their own level. Different applications are running for same service in the state. Running of different applications have created the problems of integration of service as well as data. Uniform application could have save money spent towards the development of different applications for same type of service. It has been decided by the Government that hereforth uniform application will be provided for same/one service.

3. Keeping in view of above, now it has been decided that none of the municipality will develop the applications at its own. If it becomes necessary because of exigency to develop an application by Municipality at its own then approval of Director, Urban Local Bodies will be taken irrespective of any amount involved in developing the application.

4. Moreover, I am also directed to collect the information regarding nature of service; amount involved in developing the application and detail of amount paid till date to the operators for maintaining the applications, number of locations where these services were rolled out, number of employees engaged for delivering these services and detail of amount paid till date in this regard along with the copy of agreements. You are hereby requested to send the information in the manner as given below:

Sr. No.	Name of application	Year in which application was developed	Amount paid towards development	Amount paid towards maintenance of applications year-wise

Sr. No.	Name of application	Number of locations where these services are delivered	Number of employees engaged for delivering these services	Detail of amount paid to the agency year-wise till date

  
Executive Engineer-IV  
for Director, Urban Local Bodies,  
Haryana, Chandigarh.
