

Dr. Mahavir Singh, IAS

D.O. No. ...PS/PS043/2015/4140

Principal Secretary to Govt. Haryana
Urban Local Bodies Department,
Chandigarh

Dated 27.04.2015

Subject :- Regarding rolling out of delivery of e-services in municipalities.

I would like to draw your kind attention towards the launch of e-Services for delivery of Birth and Death Certificates through CSCs to be inaugurated by Hon'ble Chief Minister, Haryana throughout the State in the first week of May, 2015. Government has also decided to link the registration of birth of child born after 1st May, 2015 with aadhar enrolment. In municipalities, some e-services (developed by NIC) were earlier launched by Hon'ble Chief Minister, Haryana on 26.02.2015 which also included Birth & Death Certificate. However, in view of above and for the successful running of these applications in urban areas, following actions are required:

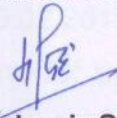

1. Till Tablet based Aadhar enrolling devices are made available to the municipalities, it is requested to provide one existing Aadhar enrolling devices in each municipality atleast once a week (on Tuesday) so that enrolment of new birth with UID can be done as per the decision of the Government.
2. As per the decision taken by the Government, these applications as launched by Hon'ble CM on 26.02.2015 would be implemented through DITS whereby manpower, hardware and connectivity in case of Municipal Councils and Municipal Committees would be provided by DITS. However, in case of Municipal Corporations, the applications will be run by the Corporations itself. Therefore, it is requested to ensure that all these services are run successfully in Municipalities as well as through CSCs.
3. It has also come to my notice that some of the Municipalities are still running the applications developed at their own level whereas as decided by the Government, applications provided by the Headquarter and developed by NIC are be run on the same platform throughout the State. Hence, all the

Municipalities in your district may be directed to ensure that they are delivering e-Services through the application provided by the Head quarter only.

4. All the Registrars of the Municipalities may be directed to get their digital signatures along with stamp uploaded in consultation with DIO/e-District Manager.

You would appreciate that this would not be possible without your active support. Please look into the matter personally and ensure that the requisite arrangements are made in all the Municipalities of your district well before the date of launch by the Hon'ble CM.

Yours sincerely,

(Dr. Mahavir Singh) IAS

To

- (i) All the Commissioners of Municipal Corporations of the State.
- (ii) All the Deputy Commissioners of the State.
