Memo No. DULB/XEN-IV/RA/2014/ 41410-810

Dated: 22-8-14

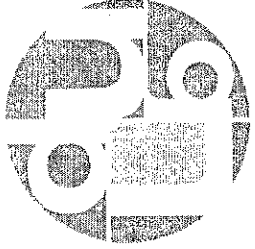

Subject: - Regarding non-compliance of the Govt. Notification dated 22nd November, 2011, for making recoveries of steel & cement from the contractual agencies for non-using of cement & steel of prescribed grade & makes.

On the subject noted above.

2. I am directed to inform you that the footnote given on pages 8 & 9 in the Haryana Government notification issued vide no. SE/PWD, B&R/Ambala/CZC/13 dated 10th November, 2011 for revising the ceiling premia over the various items of HSR-1988 are not complied with by the various municipalities in Haryana State and due to which a huge financial loss might be occurred through these irregularities being taking place unnoticed.
3. These footnotes are reproduced below for ready reference:

STOCK ISSUE RATES:

A) CEMENT (OPC-43 Grade Cement)	Rs. 225.00 per bag for 50 Kg. cement including the cost of empty cement bags plus 3% storage charges. Note:- The revised premia are based on the above mentioned issue rates of cement. i) In case departments supply the cement, recovery will be made on above rates irrespective of the type of cement i.e. OPC or PPC. ii) In case contractor is allowed to use PPC cement arranged by himself, deduction @ 25/- per bag of 50 Kgs cement will be made
---------------------------------------	---

B) STEEL (Fe-500, TMT steel bars)	Rs. 45,500/- per MT plus 3% storage charges. Note:- 1) The revised premia are based on Fe-500, TMT Steel bars of company's TISCO, SAIL, RINL or IISCO. 2) In case departments supply steel, the recovery will be made on the above rates for Fe-500, TMT Steel bars. In case steel is to be arranged by the agency and agency is allowed to use Fe-500, TMT Steel bars of companies other than above, but ISI marked, the deduction @ Rs. 6000/- per MT will be made.
---	---

4. Keeping in view of above, it is hereby directed to strictly comply with the above said footnotes of government notification dated 22-11-2011 regarding making necessary recoveries from the contractors who are not using cement and steel of the requisite grade & makes as mentioned under these footnotes. To ensure this, these footnotes should be included in the tender notices/DNIT/allotment letter/agreement as part of other conditions. Moreover, certificate in the measurement books should also be recorded regarding the grade and make of cement and steel have been arranged by the agency and used at site for ensuring compliance of the above said directions.
