Memo No: - DULB/TA-2/2014/ 14216-94

Dated:- 24-3-14

Subject:- Execution of work without availability of sufficient funds.

Please refer to the subject cited above.

It has been observed by this department that many municipalities initiated works without availability of sufficient funds with them. This practice creates undue litigation by Contractors regarding payment. It also hampers execution of work and adversely affects the image of municipality in the eyes of citizens.

Keeping in view said position, it is requested that no work will be started without availability of funds with the municipality. Therefore, before starting the work, a certificate will be obtained from the Head of the Accounts Branch that sufficient funds are available with M.C. to execute the work.
