

As desired by CM, Antyodaya Saral initiative is being driven to transform service delivery for citizens of Haryana. More than 485 schemes and services have been brought onto a common web platform and 115 kendras are operational on ground.

CM has desired that the departments redirect citizens coming on the department website for application filling to Antyodaya Saral Portal in order to further strengthen the adoption of Antyodaya Saral in the state by March 15, 2019. The list of websites that should enable redirection to Antyodaya Saral Portal is enclosed with this letter.
